Richmond motorists have in their vicinity some of the most beautiful scenery in the state of California.

California is a land of odd contrasts — and as a result real beautiful scenes hold one speechless.

Mount Diablo in Contra Costa county is a spot that will always remain in one's memory.

In the neighboring counties . . . Marin . . . Sonoma . . . there are other beautiful spots.

Mount Tamalpais and Muir Woods in Marin county are two beautiful spots.

For sheer, rugged beauty, the drive from San Rafael over the High Road to Bolinas bay cannot be equaled.

One's first glimpse of Stinson's beach and the deep blue ocean, bordered by white sand, moving restlessly, ceaselessly, is a view that will always remain with us.

Another beautiful view is the Carquinez bridge . . . so majestic . . . strong . . . rugged . . . a masterpiece of the steel engineer's art.

At night the lights of the sugar refinery make the waters of Carquinez straits below the bridge . . . which seem miles below . . . sparkle and glitter like diamonds.

Napa valley . . . long . . . wide . . . fertile, with a background of blue hills . . . is beautiful.

Santa Rosa . . . a beautiful little town . . . green lawns . . . green trees . . . beautiful homes . . .

Sonoma and the mission . . . visions of the past . . . wide streets . . .

The Valley of the Moon . . . Glen Ellen . . . Jack London . . . hours of delight.

Through the hills to Guerneville . . . nearby resorts . . . Jenner by the Sea.

There is another beautiful spot . . . Jenner by the Sea.

The road leading to Jenner is a bare and uninteresting to say the least.

After one has driven through the hills over a narrow road, one soon loses sight of the Russian river . . . a bluish green . . .

Miles of sun-baked hills and fields . . . a gigantic hog in a barnyard . . . green dandelions . . . yellow flowers . . . heat . . . dust . . . rough road . . .

The road mounts higher and higher. Now one can see the river as it winds its path toward the mighty ocean.

A turn in the road . . . Look . . . far beyond . . . houses nestling against the side of the cliff . . . green (Continued on Page 5)

County Shows
Population Gain

LOS ANGELES, Aug. 25.—Contra Costa county had the fourteenth highest increase in population, 24,665, of all California counties in the ten year period 1920 to 1930, according to a study of Bureau of the Census releases recently completed by California Taxpayers association.

In percentage of population increase the county ranked seventeenth, showing a 46 percent increase, or an increase of from 53,889 in 1920 to 78,554 in 1930.

The state of California, according to the study, showed an increase of 65.5 percent in population going from 3,436,861 in 1920 to 5,672,009 in 1930, or an increase of 2,245,148. The increase in population for continental United States as a whole was but 16.1 percent, total population in 1930 being 122,698,190 persons.

Two California counties showed population increases of over 100 percent in the ten year period, Los Angeles and San Mateo, while fourteen counties, Los Angeles, San Mateo, Monterey, Orange, San Bernardino, Riverside, Marin, Sacramento, Santa Barbara, Kern and Merced, showed increases in population of 50 percent or over.

TAX RATE FOR CITY SET FOR YEAR
Prize Fighter Believed Dying After S. F. Battle
PRIMARY ELECTION TODAY

BUDGET IS
GIVEN TO
CITY

The tax rate for the fiscal year ending June 30, 1931 will be \$2.22 on each \$100 of assessable property. The first reading of the tax ordinance fixing the rate was given at the meeting of the city council last night.

As a matter of fact the tax rate, that part of it over which the council and the city manager has any control, is three cents less than last year, the general fund rate has been decreased that much.

On account of the sale of additional bonds, for harbor improvements more money for bond redemption and bond interest, cause the bond tax rate for the 1927 issue to be increased.

The 1929 tax rate and the new tax rate in the appended table, shows the changes that have taken place and where reductions have been made:

Fund	1929	1930
General	1.56	1.53
1912 Bond	.22	.215
1920 Bond	.14	.135
1922 Bond	.035	.033
1927 Bond	.115	.155
Library	.10	.10
School	.05	.05

Total \$2.22 \$2.22
In the annex district the tax rate will be \$1.35 and is made up (Continued on Page 8)

ROLPH RALLY
HELD IN CITY

Heralded by screaming sirens and escorted by a convoy of Richmond, El Cerrito and Albany police, James Rolph Jr., candidate for the Republican nomination for governor, drove into the Memorial park last night to receive a tremendous ovation from a huge crowd that had assembled.

Unofficial estimate of the gathering that assembled to hear Mayor Rolph make his last address before election, placed the number of people at between 2500 and 3000.

Every seat and bench in the park was occupied and standing room was at a premium. Cars were lined up for as far as eight blocks from the scene of the rally.

Due to another speech which Rolph made in Oakland prior to his local address, he was late in arriving, the caravan pulling into the park at 10:20.

His main plea in his talk was to have faith in California, and elect him governor of the state.

Development of industry and relief of the unemployment situation composed the main factors of his speech, Rolph closing his address by saying: "If I am elected to this post, I will be a good governor, a sympathetic governor, and a progressive governor."

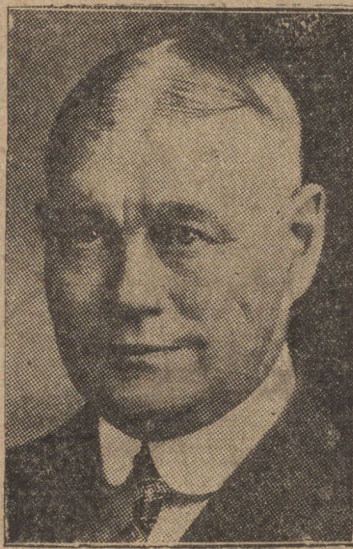

Reha Crawford, known under the pseudonym of "The Angel of Broadway" was the first campaign speaker of the evening, delivering an inspiring address that earned her a round of applause second only to the ovation given Rolph at the close of his speech.

A. V. Brady, secretary of the Rolph campaign committee in this vicinity, acted as master of ceremonies introducing the speakers and entertainers.

Phil Jones, local campaign manager and president of the Rolph for Governor committee in Richmond, met Rolph at the county line, and introduced him to the gathering.

Jones introduced Rolph in glowing terms, highly lauding the mayor of San Francisco and urging the gathering to support him at the polls today in his candidacy for governor of the State of California.

Confident

J. P. Strom closed his campaign last night after making a thorough canvass of every section of the county, and is satisfied to abide by the result of the vote that will be cast today.

"I am satisfied that I will be the next sheriff of the county," said Strom in speaking of his candidacy. "I am very sanguine of the result of the contest."

"I have called on practically all of the factory heads in the county, and have received their highest approval. I have met thousands of the employees of these industries, and they are my friends."

"A most pleasing part of the contest has been that there is no open opposition to my candidacy, but on the other hand, volunteer support has been flocking to me daily."

"At this time I wish to extend my thanks to all those who have aided my campaign. I appreciate their efforts to the utmost, and feel certain that the voters of the county are in the mood for a change."

Liquor Baron's
Wife In Probe

SEATTLE, Aug. 25.—UP—Cross examination of Roy Olmsted, former king of northwest rum runners in the Lyle-Whitney conspiracy trial ended late today and the liquor baron was followed to the stand by his wife, Mrs. Elsie Olmsted.

In the short time she was on the stand, Mrs. Olmsted a government witness, was questioned regarding the connection of numerous visits to the Olmsted home by C. T. McKinney, former assistant U. S. attorney.

CAMPBELL'S
CONDITION
SERIOUS

SAN FRANCISCO, Aug. 26.—(Tuesday) —Attending physicians at 1:15 this morning declared that Frankie Campbell was in a serious state and was suffering from cerebral concussion and hemorrhages of the brain.

The last sacrament was given to Campbell by a priest at one o'clock this morning.

SAN FRANCISCO, Aug. 25.—UP—Frankie Campbell, long recognized heavyweight champion of the Pacific coast was taken to St. Joseph's hospital here tonight after he had been knocked out by Max Baer of Livermore in the fifth round of a scheduled ten round bout. Campbell was taken into the hospital and an hour after he had been knocked out he was still unconscious from the punches he had received.

Physicians declined to state how serious his case was until they had made a careful study of the patient.

Baer had backed Campbell into a corner and many Tans were shouting for Referee "Toby" Irwin to stop the fight when Campbell's knees collapsed and he slumped to the canvas.

More than 15,000 persons witnessed the sudden end of the contest, and were stunned when Campbell failed to regain his senses in the ring.

His condition was said to be very serious.

Two emergency hospitals near Recreation park where the fight was staged, received hundreds of telephone calls asking about Campbell's condition.

Attendants of Mission's Emergency hospital who responded to a call from the park for an ambulance, said that Campbell appeared to them to be in a serious condition but they added they had little opportunity to study the case since other physicians were already treating him.

MOTHER KILLED
BY AIRPLANE

LONG BEACH, Wash., Aug. 25.—UP—Mrs. Betty Williams, of Astoria, Ore., was killed instantly and Edith Groeger, 14-months, was injured, when they were struck by a low flying airplane on the beach here today.

Mrs. Williams was struck by the propeller.

The child is the daughter of John Groeger, of Portland.

According to witnesses, Mrs. Williams and the baby girl were in a group on the beach. The plane was being flown by C. S. Murray of Vancouver, Wash., and was carrying Miss Pearl George and A. A. Miller of Seattle.

As the plane took off from the beach, it swerved to avoid hitting those on the sand. Mrs. Williams, it was reported, walked into the path of the whirling propeller as she left the surf for the beach.

The only explanation of the injuries was that she probably was struck by a wing of the plane as it dropped down on the sand for a landing after striking Mrs. Williams.

Vote Return

Maintaining its policy of serving the city of Richmond, the RECORD-HERALD has arranged to have the results of today's primary election brought to the Richmond homes through the medium of the radio. Returns from city and county will be broadcast.

In the quiet surroundings of their homes, away from the bustle and the jam around newspaper offices and bulletin boards . . . residents of Richmond and Contra Costa county may tune one's radio to station KROW, of Richmond and follow the progress of each candidate.

As the election results are turned into the office of the RECORD-HERALD, they will be telephoned to station KROW and will be broadcast immediately.

This broadcast will be made possible through the courtesy of Radio Station KROW.

CITY COUNCIL
HAS
SESSION

In the absence of Mayor A. B. Hinkley at the city council meeting last night Councilman Russell Meyer was chosen as mayor pro-tem.

On the recommendation of the city planning commission, a permit was granted A. J. Polard and others to build a golf course on Tenth and Eleventh streets between Macdonald and Bissell.

Charles L. Crist was given a permit to sell soft drinks on the Ford property, and a similar permit was granted E. D. Garner for 545 San Pablo avenue.

Councilman George F. Imbach reported there was not sufficient funds to run a water line to Thirty-first and Center street so that a hydrant might be installed, as the cost of the pipe line would be \$2,600. He recommended, however, that a steamer hydrant be installed at Pullman and Center, and also at Third and Cutting.

The receipts of the police court, according to a report filed by Judge C. A. Odell were \$875 of which \$612 was for violations of the motor vehicle act, and \$245 came from other sources.

The report of the city auditor showed a balance on hand in the city treasury of \$269,593.76.

The expenses of the Richmond Health Center for the past month amounted to \$532.60.

The annual report of the public library showed receipts for the past year of \$36,293.68 and expenses of \$31,150.01.

Fitts Confident

SAN FRANCISCO, Aug. 25.—Buron Fitts will be nominated by the Republican party for governor at tomorrow's primary election with a plurality of 25,000 votes, according to a statement issued late today by the northern California Fitts for Governor headquarters in the Palace Hotel.

The Fitts manager here estimates their candidate's plurality in Southern California will be between 75,000 and 100,000.

They expect him to poll between 20,000 and 30,000 votes in San Francisco.

"We have made a careful check-up of the situation," said Donald McClure, field director of the Fitts campaign in Northern California. "All our reports indicate a very definite swing to Buron Fitts."

"He will win the republican nomination for governor with a plurality of at least 25,000 votes. He will come north with a plurality in southern California of between 75,000 and 100,000. It is generally admitted that such a plurality south of the Tehacapi will insure victory."

"I feel confident that his northern California vote is going to be one of the big surprises of the election. There has been such a decided change in sentiment in parts of the San Joaquin valley and in the northern end of the state that several counties being claimed by other candidates will be safely in the Fitts' column."

"Here in San Francisco there has been a big shift in the last few days and the Fitts' vote here should run between 20,000 and 30,000. We are endeavoring to keep our estimates conservative. And they are not based on a possible landslide, although word from the south is that such may be the case."

DEATH TAKES
LON CHANEY

HOLLYWOOD, Aug. 26.—UP—Lon Chaney, world famous motion picture character actor died suddenly at 12:55 a. m. today from a hemorrhage of the throat.

The end came without warning. Chaney had been in St. Vincent's hospital here since last Wednesday suffering from an acute attack of anemia, but his doctors reported yesterday that the veteran actor showed great improvement.

His wife and son, Creighton, were at his bedside when he died.

The grief stricken family was too upset to give the details of Chaney's last moments. He had been in the best of spirits until a few minutes before his sudden passing.

LARGE VOTE
SEEN IN
STATE

Today is the day. For thirteen hours, that is, from 6 o'clock this morning till 7 o'clock tonight, the more than two million registered voters will have the opportunity of expressing their preferences at the polls in the statewide primary election.

Young's Strange Bed Fellows
The race for governor overshadows all other contests to some extent. The incumbent, C. C. Young, standing flat-footed on his record, a record which has been shot full of holes during the campaign, and also declaring himself a dry, finds himself a political bed-fellow of William Randolph Hearst, whose policy from coast to coast is "dripping wet," and C. K. McClatchy, of the Sacramento Bee, another thoroughly wet "nullificationist." But the old saying that "politics makes strange bed-fellows" holds good yet.

When Rolph Didn't Build
Then we have Mayor Jim Rolph, who has used the phrase "Build With Rolph," as honey with which to catch votes. But his record of delay in the Hetch Hetchy water program; his unconscionable conduct in postponing the War Memorial building in San Francisco, a project that has hung fire now for nine years through his delaying tactics, have got the voters in a skeptical frame of mind touching Jim's ability or intention to do anything in the way of building.

Buron Fitts' Good Record
Buron Fitts, District Attorney of Los Angeles, former lieutenant governor and overseas veteran of the World War, is the other aspirant of the Big Three group for Governor. Fitts has come out of the turmoil of the Julian bribery cases; the Panfages trial; the conviction of Asa Kees; and divers other sensational criminal causes of national interest and importance with his head "bloody, but unrowed." He is up at Governor Young for favoring, as he asserts, large vested interests to the detriment of the masses of the people and has hammered home with telling effects his arguments that there has been a naturalness of spending with little to show for the extravaganzas.

MOITZA FORDS BEAT MARKET NINE

The Moitza Fords reaped another victory Sunday when they trounced the Leader Market nine of Oakland five to one at Oakland.

The Fords had the upper hand during the greater part of Sunday's contest. However, the hitting was evenly divided, both squads collecting eight hits apiece. Syd Martin twirled nicely for the Fords Sunday, striking out six Oaklanders, and walking one. Vargus did the chucking for the Market outfit, and fanned seven Fords and walked three.

Goldsworthy and Gregory of the Moitza nine and Caldera of Oakland did the heavy slugging of the contest. Goldsworthy earned two hits, a triple and double, out of four times to bat, while Gregory earned a single and a double out of twice at home plate. Caldera succeeded twice out of three times.

The Moitza Fords will play at home on the San Pablo diamond next Sunday. Their opponents have not yet been selected.

Whether the Odd Fellows' city league title victory of the same morning was responsible for their unexpected baseball festival Sunday afternoon or whether it was just the weather, is furnishing much food for thought in the minds of the Corey Garage athletes.

In the meantime the Odd Fellows are sitting on top of the proverbial sphere and munching on the sweets of their double victory.

After walloping the Native Sons 16 to 2 in the morning's title game, the lodgemen proceeded to shut out the Coreys by a score of 13 to 0 on the San Pablo diamond.

The linkers came through with a record-breaking brand of baseball that completely stunned the unfortunate Garagemen.

The hurling of Carl "Iron Man" Kamb was probably the greatest factor in the triumph of the Odd Fellows over the Coreys Sunday.

He was found for but two hits during the game, and struck out eight Coreys. The lodgemen offered Kamb fine support in the field, and some of the prettiest fielding ever witnessed on a local diamond was exhibited.

The lodgemen also staged a hitting spree last week-end, Charlie Matteri did the big hitting of the Corey contest, collecting five hits out of five times at bat, while C. Pinto and Doyle Taylor each gathered three hits apiece.

Sunday's game was the deciding contest in a three-game series between the Coreys and the Odd Fellows. Each squad had collected one victory each previous to the final game.

Local Motor Boat Driver Wins Contest

One more outboard racing laurel was brought to Richmond Sunday.

George Lauritzen, commodore of the Richmond Boating association, drove his "Merry Widow" to victory Sunday in an impromptu regatta held on the Oakland yachting harbor on the Oakland estuary.

Sunday's race was the first time that the "Merry Widow" has touched water, and the local craft showed exceptional speed in its initial race.

Harold Moorehouse, well known driver of the famous "Kitty" accompanied Lauritzen during the race, which covered approximately five miles.

Sailboat and rowing races were

also held at the Oakland regatta on Sunday.

Several local outboard drivers will probably participate in the championship elimination races to be held at Lakeport on Aug. 31 and Sept. 1. Richmond sportsmen may also compete in the races to be held on Lake Merritt Sept. 8-9.

Senators Beat Philadelphia

American League:

"Sad Sam" Jones and Joe Cronin combined Monday to give the second place Washington Senators a 3 to 2 victory over the leading Philadelphia Athletics. The loss trimmed the A's lead to six and one-half games. Jones, in winning his 14th game of the season, allowed the leaders but six hits.

Cronin, Washington shortstop, drove in all his teams runs. In the fourth inning with a man on base, Cronin hit a home run. In the eighth, Myer singled. Rice forced Myer and took second on Boley's wild toss, and went to third on a sacrifice fly. Cronin then singled to score Myer with the winning run. Jones pitched strongly in the sixth, when the A's jammed the bases, to retire the side without a score. Jones was opposed by Lefty Grove who yielded eight hits.

In the only other American league game the Detroit Tigers whipped the St. Louis Browns, 7 to 5. The Browns staged a four-run uprising in the ninth inning to no avail. Bridges pitched for the Tigers until the Browns got a triple in the ninth when he was relieved by Hoyt.

There were no games in the National league.

Phil Carlin Wins Game In Net Tournney

Phil Carlin, Richmond Union high school net star, climbed to third place in the Richmond Tennis association's perpetual ladder tournament Sunday.

He reached the third rung on the tourney ladder by defeating Darrow Sutton, another high school tennis athlete, in a closely contested match by a score of 6-1, 7-9, and 6-2. Sutton was thereby lowered from third to fifth place, which had formerly been occupied by Carlin.

Sutton met with great misfortune on the local courts this week-end. In a match played on Saturday, he lost to Jimmy Hurley, highest ranking player in Richmond, in a challenge match.

Sunday's matches were played on the City Hall courts.

Whether the Odd Fellows' city league title victory of the same morning was responsible for their unexpected baseball festival Sunday afternoon or whether it was just the weather, is furnishing much food for thought in the minds of the Corey Garage athletes.

In the meantime the Odd Fellows are sitting on top of the proverbial sphere and munching on the sweets of their double victory.

After walloping the Native Sons 16 to 2 in the morning's title game, the lodgemen proceeded to shut out the Coreys by a score of 13 to 0 on the San Pablo diamond.

The linkers came through with a record-breaking brand of baseball that completely stunned the unfortunate Garagemen.

The hurling of Carl "Iron Man" Kamb was probably the greatest factor in the triumph of the Odd Fellows over the Coreys Sunday.

He was found for but two hits during the game, and struck out eight Coreys. The lodgemen offered Kamb fine support in the field, and some of the prettiest fielding ever witnessed on a local diamond was exhibited.

The lodgemen also staged a hitting spree last week-end, Charlie Matteri did the big hitting of the Corey contest, collecting five hits out of five times at bat, while C. Pinto and Doyle Taylor each gathered three hits apiece.

Sunday's game was the deciding contest in a three-game series between the Coreys and the Odd Fellows. Each squad had collected one victory each previous to the final game.

The box score:

RICHMOND ODD FELLOWS	AB.	R.	H.	E.
Matteri, 3b.	6	3	5	1
Gordon, ss.	3	2	1	1
Viano, 1b.	5	0	2	0
Gualdoni, c.	5	1	4	0
J. Pinto, cf.	5	0	1	0
C. Pinto, 2b.	5	1	3	0
Murphy, rf.	3	2	2	1
Taylor, lf.	4	2	3	0
Kamb, p.	4	2	1	0
Totals	40	13	21	3

Summary: Three base hits—Matteri. Two base hits—Gualdoni, C. Pinto, Taylor, first base on balls—Off Kamb 3, off Elight 2. Struck out—By Kamb 8, by Elight 11.

Local Motor Boat Driver Wins Contest

One more outboard racing laurel was brought to Richmond Sunday.

George Lauritzen, commodore of the Richmond Boating association, drove his "Merry Widow" to victory Sunday in an impromptu regatta held on the Oakland yachting harbor on the Oakland estuary.

Sunday's race was the first time that the "Merry Widow" has touched water, and the local craft showed exceptional speed in its initial race.

Harold Moorehouse, well known driver of the famous "Kitty" accompanied Lauritzen during the race, which covered approximately five miles.

Sailboat and rowing races were

also held at the Oakland regatta on Sunday.

Several local outboard drivers will probably participate in the championship elimination races to be held at Lakeport on Aug. 31 and Sept. 1. Richmond sportsmen may also compete in the races to be held on Lake Merritt Sept. 8-9.

Senators Beat Philadelphia

American League:

"Sad Sam" Jones and Joe Cronin combined Monday to give the second place Washington Senators a 3 to 2 victory over the leading Philadelphia Athletics. The loss trimmed the A's lead to six and one-half games. Jones, in winning his 14th game of the season, allowed the leaders but six hits.

Cronin, Washington shortstop, drove in all his teams runs. In the fourth inning with a man on base, Cronin hit a home run. In the eighth, Myer singled. Rice forced Myer and took second on Boley's wild toss, and went to third on a sacrifice fly. Cronin then singled to score Myer with the winning run. Jones pitched strongly in the sixth, when the A's jammed the bases, to retire the side without a score. Jones was opposed by Lefty Grove who yielded eight hits.

In the only other American league game the Detroit Tigers whipped the St. Louis Browns, 7 to 5. The Browns staged a four-run uprising in the ninth inning to no avail. Bridges pitched for the Tigers until the Browns got a triple in the ninth when he was relieved by Hoyt.

There were no games in the National league.

Phil Carlin Wins Game In Net Tournney

Phil Carlin, Richmond Union high school net star, climbed to third place in the Richmond Tennis association's perpetual ladder tournament Sunday.

He reached the third rung on the tourney ladder by defeating Darrow Sutton, another high school tennis athlete, in a closely contested match by a score of 6-1, 7-9, and 6-2. Sutton was thereby lowered from third to fifth place, which had formerly been occupied by Carlin.

Sutton met with great misfortune on the local courts this week-end. In a match played on Saturday, he lost to Jimmy Hurley, highest ranking player in Richmond, in a challenge match.

Sunday's matches were played on the City Hall courts.

Society NOTES

RICHMOND CLUB HAS LITERARY MEETING HERE

The name of a most enjoyed book read during the vacation period with the name of its author was given in answer to the roll call at the meeting of the literary department of the Richmond club when it met yesterday in the Richmond clubhouse.

A list of books with a brief resume of each was given as selected reading to the women.

Twenty minute book reviews were presented by members of the club. Mrs. F. C. Shallenberger gave a review of "Dr. Serotold" by Helen Ashton. "The Laughing Boy" by La Farge was reviewed by Mrs. C. H. Ruml. A book of poems, the "Grand Right and Left" was given by C. O. Bryant. Mrs. Clifford Baughman presented a review of John Erskine's "Uncle Sam".

An interesting contribution to the program was the reading of a portion of "Green Pastures" a 1930 Pulitzer prize play by Marc Connelly. The act which was omitted from the play because of time and staging difficulties was revived by Mrs. Francis Kent.

Zelda Chapin presented a vocal solo "Old Man River" from "Showboat" with Mrs. C. O. Bryant as accompanist.

Following the interesting and worthwhile program the women enjoyed a social time and tea.

Mrs. M. P. Hudson, Mrs. George Newford, Mrs. C. C. Cozby and Mrs. Benlah Tillier composed the committee in charge.

Because of the holiday, there will be no meeting next Monday.

Local People At Pocahontas Installation

The Great Council, Degree of Pocahontas which was held last week in Santa Cruz, was attended by quite a few Richmond people. Those who drove down to witness the installation were: Mrs. Ruby Hudson, Mrs. Marie McNeil, Charles Swartout, Marvin Swartout, Mrs. Nystrom and Mrs. Minnie Phillips.

Richmond women were happy over the fact that Mrs. Louise Swartout received the honor of winning the office of Great Trustee. She is the first woman to hold an office in the great council.

The Richmond delegates were: Bertha Shubat, Grace McMaisters, Louise Swartout, Julia Maskal, Clare Barry and Isabel Davis.

ELECTION TO BE HELD TODAY

(Continued From Page 1)

Fitts is known to be a believer in enforcing the law as it is written. Equitable taxation is part of his platform.

Mrs. Clara Shortridge Foltz is the other candidate for the Republican nomination. She is a smart woman and will get a complimentary vote in certain quarters, but really has not the slightest ghost of a chance of winning the nomination.

Democrat Worries oung Forces

The Democrats have only one candidate, Milton K. Young, who caused some excitement and a lot of anxiety when he filed for the Republican nomination also. He drew a lot of fire from Governor Young's followers when he did this, but the laugh is on Governor Young, because he long has been one of the main sponsors and underwriters of the absurd election law which made it possible and lawful for Milton K. Young to muddle the ticket by filing where morally he had no right to file.

It is to laugh.

The race for lieutenant governor seems to be between three: Frank P. Merriam, of Long Beach; Talant Tubbs, of San Francisco; and Henry L. Carnahan, of Los Angeles.

Richmond's Fine Opportunity

In Contra Costa county there are two contests for County offices. J. P. Stroom, of Richmond, has made a strong clean race for Sheriff against R. B. Veale, who has held the office continuously since 1904.

Indications are that Richmond will for the first time send a representative to the county seat, by electing one of her citizens sheriff for the next four years.

Two In Coroner's Race

Two Richmond men, Aubrey Wilson, incumbent, and Mayor A. B. Hinkley, of this city, are contesting for coroner.

In this township we have three cornered contest for Justice of the Peace, the candidates being A. A. Alstrom, incumbent; C. A. Odell, Police Judge of Richmond; and John Moore, member of the Richmond board.

Four candidates for constable, John W. Smiley, incumbent, "Hank" Stearns, Spanish War Veteran; W. C. Miller and Jacob Peterson.

Hayden Slated For Defeat

The race for supervisor in the Martinez district, between Hayden and Kennedy will bring out a big vote there, the betting odds indicating that Kennedy will beat Hayden by several hundred votes.

Local contests in some other supervisorial districts of the county will serve to stimulate voters, and it is believed that Contra Costa county, with a total registration of 28,430, probably will poll 17,500 votes.

The county has 148 polling places. Supervisorial District 1 has 66 precincts.

The state has 10,283 precincts. The results ought to be known by midnight. THE RECORD-HERALD is arranging to cover the state, county and district thoroughly and will give the returns as they come in.

All banks will be closed today, as it is a legal holiday in California.

The list of polling places in this district is as follows:

Richmond No. 1—Veterans fire hall, Standard avenue and Eddy street.

Richmond No. 2—Masonic Hall, 210 Washington avenue.

DELEGATES OUT OF TRADE MEET

SACRAMENTO, Aug. 25.—UP—Official delegates of the Argentine republic to the Pan-American reciprocal trade conference in session here formally withdrew from the conference late today.

The action was a surprise to other delegates from Latin American countries, and this astonishment was more pronounced because no reason was given for the retirement of the Argentine representatives.

Dr. Juan Carlos Goboy, consul-general for Argentina at San Francisco, announced that statements explaining the withdrawal had been forwarded to his home government but would not give any hint of their contents.

Dr. Goboy was a candidate for presidency of the conference but no one seconded his nomination and Simon J. Lubin of Sacramento was chosen for the post unanimously.

Many rumors followed the withdrawal, among them being the report that it had been caused by possibility of a battle over high tariffs at a meeting set for Tuesday.

Delegates from Argentine were Dr. Reuben Bence Pierez, Dr. Edward Blanchard and Dr. Jose Caselene. They represented the department of foreign affairs, executive department, department of trade and agriculture and the University of Buenos Aires.

STOLEN GIRL FOUND SAFE

ELKHORN, Wis., Aug. 25.—UP—The demented farm hand who kidnapped 10-year old Mary Jane Foster in Indiana, was captured near Lake Geneva, Wis., tonight, Mary Jane was with him, unharmed.

Claude Dellinger, 27, the farm hand whose unbalanced interest in psychology apparently caused him to believe that he loved the child, drove to the southern Wisconsin lake resort region from the vicinity of Valparaiso in the dilapidated automobile into which he entered the child Saturday night with offers of candy.

Deputy Al Exner brought Dellinger and Mary Jane to the jail here when the farm hand was held for Indiana authorities and Mary Jane was given food and clean clothing pending word from her father, Ernest Foster, wealthy Valparaiso farmer.

LET US BE GAY NOW SHOWING AT FOX

Norma Shearer is starred by Metro-Goldwyn Mayer in the picture of "Let Us Be Gay" which is coming today to the Fox-California theater.

The story is from the sophisticated stage play of the same name in which Francine Larrimore scored on the New York stage. It is by Rachel Crothers and was adapted for the screen by Frances Marion.

Playing opposite the star is Rod La Rocque, popular silent picture leading man who has risen to fresh honors in talkies. La Rocque last played in "The Delightful Rogue," "Beau Bandit" and "The Swan." In the picture La Rocque plays the part of Miss Shearer's husband, whose philanderings motivate the spicy plot.

Heading the supporting cast is Marie Dressler, fresh from her triumphs in "Anna Christie," "Caught Short" and "The Swan." Miss Dressler plays the co-spiral role of the eccentric dowager who summons Miss Shearer, changed from a dowdy housewife into a smart woman of the world, to vamp a charming man away from her adolescent granddaughter. This is an ideal characterization for Miss Dressler and she makes the most of it in her own inimitable manner.

Included in the supporting cast are: Raymond Hackett of "The Trial of Mary Dugan" fame; Sally Eilers, who last played in "She Couldn't Say No"; Hedda Hopper and Tyrrell Davis, teamed in "His Emery, whose work in "Sky Hawk" and "Sarah and Son" won him outstanding recognition.

The picture was filmed in charming society settings and the feminine players are exquisitely gowned in new creations by Adrian.

AIMEE TO GO TO SECRET SPOT

LOS ANGELES, Aug. 25.—UP—In order to secure the quiet needed to speed her recovery from a "nervous breakdown," Aimee Semple McPherson will leave her Malibu beach cottage soon for a secret retreat in the mountains, Dr. E. H. Williams announced today.

The constant hounding of the surly and the noise of traffic on a nearby highway tend to excite the noted evangelist, her physician explained.

"We expect to take Mrs. McPherson to the mountains Tuesday, but the move will depend upon her condition," Dr. Williams said. "There is to be no secrecy about the move but we do not wish to publish the name of the mountain resort because Mrs. McPherson is not ready for visitors."

Dr. Williams declared that he thought three or four days in the mountains would benefit the evangelist to the extent that she will be able to return to the beach and complete her convalescence.

Mrs. Minnie A. Kennedy, mother of Mrs. McPherson, also was reported recovering from a broken nose she declared she suffered during a quarrel with her daughter over Angelus Temple affairs.

Mrs. Kennedy, like Mrs. McPherson, selected a retreat near the seashore after the story of the quarrel was circulated. She declared that she and Mrs. McPherson underwent face lifting operations recently but this was emphatically denied by aides of Mrs. McPherson at the Temple.

GERMAN ACES CROSS OCEAN ON HOP

HALIFAX, Nova Scotia, Aug. 25.—UP—Capt. Wolfgang von Gronau, young German aviator on a nonchalant inter-island flight across the north Atlantic to America, landed his second-hand Dornier-Wal flying boat at Halifax today on his way to New York.

Von Gronau flew here from Sheet Harbor, N. S. where he was forced down during the day by fog and bad weather. He and his three German companions landed last night at Queensport, about 130 miles to the east of Halifax, in Guysborough county.

They spent the night there and despite fog took off early today for Halifax where they intended to refuel and go on to New York. They refueled at Bedford Basin, near here and were eager to proceed southward down the coast toward New York.

The flight started at Bylt, Germany, last Monday. Von Gronau and his three companions landed at Faroe Islands, the first leg of the flight. Thence they flew to Iceland, and after intimating they might go back to Germany, left there and landed at Lyttut, Greenland. With almost monotonous regularity they spent a night at the place, refueled, arose early and flew several hundred miles across the north Atlantic.

Von Gronau said today he planned to go on to New York where he would remain "for orders."

NOVEL PLEA IS MADE BY LOCAL SPEED SUSPECT

BERKELEY, Aug. 25.—A novel plea has been offered the Berkeley police court in an attempt to exonerate a speeding offense, by Carl R. Muzzi, 21 of 426 Monroe avenue, Richmond.

So novel was the plea, and the astounding revelation that the arresting officer supported the defendant's contention, that the case was put over until Sept. 26, while the court studies the testimony.

Muzzi, it seems, was arrested on San Pablo avenue while bowling along at 45 miles an hour. When the Siren of the arresting officer sounded, Muzzi told the patrolman, and later the police court, that his high speed was being made in an attempt to cool off the motor, which he declared, had been recently overhauled and the cooling system would not operate at a lawful speed.

Woman Hurt In Automobile Accident Here

Following an automobile accident at Tenth street and Potrero avenue, Mrs. Edwin Stadmiller, 3235 Pacific avenue was treated at the Abbott emergency hospital yesterday for a broken knee and severe body lacerations. According to police reports the accident occurred when the steering gear of the machine broke and her husband could not control the car. The machine crashed into a telephone pole.

Mrs. Stadmiller was later removed to a San Francisco hospital.

Richmond Man Fatally Hurt In R. R. Accident

PITTSBURG, Aug. 25.—John Phillips, 36, brakeman for the Santa Fe railroad, who resides at the Denver Hotel in Richmond, died here last night after being knocked from a box car in Antheum yesterday and mangled beneath another car.

Phillips was engaged in switching cars into the plant of the Hickmott cannery when the accident occurred. According to witnesses Phillips failed to observe an overhanging bar and was knocked to the ground, where he fell underneath the following car.

Both the man's legs were so badly mangled that he died shortly after being brought to the hospital here.

He was a war veteran and is said to be survived by a widow in Florida.

PITTSBURG MAN KILLED IN BLAST

PITTSBURG, Aug. 25.—Before the horrified eyes of his wife, two children and a friend, John Minerva, 42, his body converted into a human torch, was burned to death last night in a fire which partially destroyed his home here.

It is believed Minerva attempted to light a cigarette in a room which had been filled with gas from a leaky attachment while the family was on a motoring trip yesterday.

Minerva ran from the house, his body completely enveloped in flames. His friend, Bertinelli Romillo extinguished the flames with a garden hose but not until after every portion of his body had been severely burned.

1¢ a meal —
to cook with electricity

And the electric range costs no more than any good range

Electric cooking has an aristocratic "atmosphere."

However, fine "atmosphere" should not mislead any one from true dollar-and-cents facts. Here they are:

You can cook a complete meal for four people with 4c worth of electricity. In addition, the price of an electric range itself is no more than any good range.

And how the electric range improves cooking!—and gives you more time for out-of-the-kitchen activities. For electric cooking can be entirely automatic. After a meal is placed in the oven, you never have to watch it—or baste the meat.

Moreover, the electric range is the "key-note" for a beautiful, clean kitchen.

Today's electric range has Improved Cooking Elements, 29 to 50% speedier. Fully enameled Rust-Proof Oven. Smokeless Broiler Pan. Smooth Porcelain Enamel which wipes clean easily. Cooker Pot. Automatic Oven Temperature Control, and a Special Time Clock for automatically turning the oven current on and off while you're away.

Come into our office or a dealer's store and see the fine new electric ranges. And remember, modern electric cooking IS economical.

P. G. E. Spends Huge Sums For Construction

SAN FRANCISCO, Aug. 25.—UP—An expenditure of \$22,973,000 on new construction was made by the Pacific Gas and Electric company during the first six months of 1930, it was announced here tonight.

The statement issued by the company also declared that it is employing 3000 more men now than it was a year ago.

It was pointed out that the expenditure in the first six months exceeded one half of the \$35,000,000 estimate presented to President Hoover's national business survey conference by A. F. Hockenbeamer, president of the company, last November.

"These figures indicate clearly that the company has not curtailed its construction program in the least," Hockenbeamer said.

GIRL DIES TO SAVE LIFE OF MAN

SAN FRANCISCO, Aug. 25.—UP—Gently filled and emptied from the metal device in which he lay, a young man's lungs carried life-giving oxygen to his blood tonight.

Several miles from the hospital where the young man has lain since Thursday in the "robot breather," funeral arrangements were being made for a young woman who died because the machine was needed for the man.

The apparatus, a Drinker respirator, is the only one of its kind west of Chicago.

Physicians at Children's hospital were confronted Thursday with the situation calling inevitably for a tragic decision. The man—Irving S. Johnson, 25, married, with a 14-months-old son—had been a patient for more than a week. With a diaphragm rendered useless by infantile paralysis, it was necessary to keep him constantly under artificial respiration or he would die.

It was Thursday night that Miss May Jean McCullough, unmarried, 30, was brought to the hospital in an almost identical condition. Without artificial respiration she, too, would die.

Dr. E. B. Shaw, in charge of the case, held a conference, to which Johnson was allowed to be a party. Johnson asked that he be taken from the machine and the young woman given a chance. While the doctors debated, preparations were made to switch patients. Then the young woman said that she, too, was ready to die, that she feared that if she lived she would be permanently crippled.

The case was finally decided. Dr. Shaw said, on the chances each had for recovery.

Reported Better
"Johnson had responded so well under treatment," Dr. Shaw said, "that we felt reasonably certain he would recover if kept under it. On the other hand, we had no way of knowing how Miss McCullough would respond."

"In the end, the case was decided, irrespective of the obligations of respect—on the other hand, the fact that Johnson had a dependent wife and baby—or any other consideration of that kind. We simply felt that we had no right to gamble the probable recovery of one patient against a recovery that was at best only possible."

"In the light of ethical considerations, the case was really more clear-cut than has been represented. It was simply a case we had more or less under control, as compared to a desperate one."

Wife There

The respirator, the invention of Dr. Philip Drinker of the Harvard School of Public Health, is a long metal torpedo into which the patient's body is placed. By power blowers, the air is withdrawn from the space between the metal shell and the patient's body, creating a vacuum which the lungs expand and fill. When atmospheric pressure displaces the vacuum, the lungs contract, expelling the air.

Johnson's wife, a pretty girl

Lincoln Pictures

ANNE MCCONNELL with one of the world's largest collections of Lincoln pictures loaned to the Chicago Historical society by James Rosenthal, Chicago financier.

in her early twenties, has kept an almost unceasing vigil just beyond the glass wall of the room where he lies. At intervals, he has been able to speak to her, cheerfully for the most part, excepting only a moment two nights ago when weakness descended and his voice became very low.

"Good-by, darling," he whispered. "You look very lovely. My love to the baby."

Patient Rallies
But he rallied, and was strong or tonight.

Other physicians joined the clergy tonight in applauding the doctors' action.

Dr. Louise B. Deal:
"The life of a man 25 years old, with a dependent wife and child, is more valuable than that of an unmarried woman five years older, particularly when there is a greater chance of saving the man's life."

Decision Landed

Dr. George H. Biskowitz: "In such a circumstance, the matter of sex or chivalry does not enter into the doctor's decision. It seems only one could be saved. The man was progressing satisfactorily. There was little hope for the woman. The doctors had no alternative but to choose the one they were almost sure of saving."

Out of the publicity given the incident has come the decision of two anonymous San Francisco philanthropists to donate Drinker machines to other hospitals in the city.

Johnson is an artist and head of the art department of a San Francisco publishing house.

OESTERREICH JURY IS OUSTED

LOS ANGELES, Aug. 25.—UP—Unable to reach a verdict in the murder case of Mrs. Walburga Oesterreich, a jury of six men and six women was discharged late today by Superior Judge Carlos Hardy.

Mrs. Oesterreich was accused in the death of her husband, Fred Oesterreich, wealthy garment man, who was shot eight years ago in his home in a fashionable section of Los Angeles.

Otto Sanhuber, described as the "litter lover" of Mrs. Oesterreich during a dozen or more years he secretly lived in attic of her home, was charged as the actual killer.

A jury recently found Sanhuber guilty of manslaughter but he was freed when his attorneys successfully contended that all crimes except murder and treason were outlawed under California's statute of limitations.

The state charged that Mrs. Oesterreich attempted to bribe Sanhuber by permitting him to look her in a closet. When police came she blamed burglars for the slaying.

RED CROSS TO AID VETS IN SHOW

One of the most important works of the Red Cross during peace time is the aid and service rendered to veterans and members of their families, the local chapter being concerned chiefly in the first of three branches.

The first branch is concerned with assisting disabled ex-service men and their families. The Red Cross acts as an agency in filing claims for compensation for disabilities incurred during the World War. Financial aid is given the family when necessary pending the adjustment period.

The second branch is concerned with able bodied veterans who are in need of advice and information such as the Red Cross is able to handle and also other financial aid is given where the need is found.

Aids Follow

The third branch consists of service given for the men in active service and their families, concerning a variety of activities handled by the local executives secretary, devoted chiefly to hospital matters, discharges and furloughs as well as welfare of dependents.

As an illustration of such service, the following case is briefly cited. One of Richmond's young men at the outbreak of the recent war, enlisted for active service and was in most of the actions in France during 1918. At the conclusion of the war he was discharged in apparent good physical condition.

Returning home he went to work was married and now has a family of five children. At the present time he is without employment on account of a bad heart and cannot perform any physical labor. Not fitted for vocational work, and without government relief, the Red Cross and the county have been aiding. The Red Cross has furnished nearly \$150 to date and has been guiding this veteran in attempting to secure some government compensation. The difficulty in the latter aid lies in the fact that this man has discharged in apparent good condition and his heart trouble was not determined until several years later. This patient has been in and out of government hospitals this year and this year and should be in a hospital again except for crowded conditions.

Many Problems
This is one of several problems being handled by the local Red Cross while some of the cases are even worse. The field for service is a large one for the local chapter while financial means are hardly adequate.

To more properly care for such welfare work, the board of directors of the Red Cross are presenting a Variety Show to be given this Friday night at the Roosevelt school auditorium for the purpose of raising a fund to be used solely for the three branches of service. This fund will be set aside from all other funds and none of it is to be sent to general headquarters but will be used exclusively in the Richmond district.

An entertainment under the chairmanship of George Rader, assisted by Mrs. Zola Chasin as program director, will be offered the public.

Success in Saving Money Depends on Action

Everybody knows the wisdom and the value of saving money and nearly everybody means to save some time. The trouble with the most of us is that we promise ourselves that we will save in the future. We intend to save a part of our income. We have good intentions but put off action until we have spent our money for other things. But mere wishing and hoping are not enough. We must act.

School nurse says
all girls should
know this

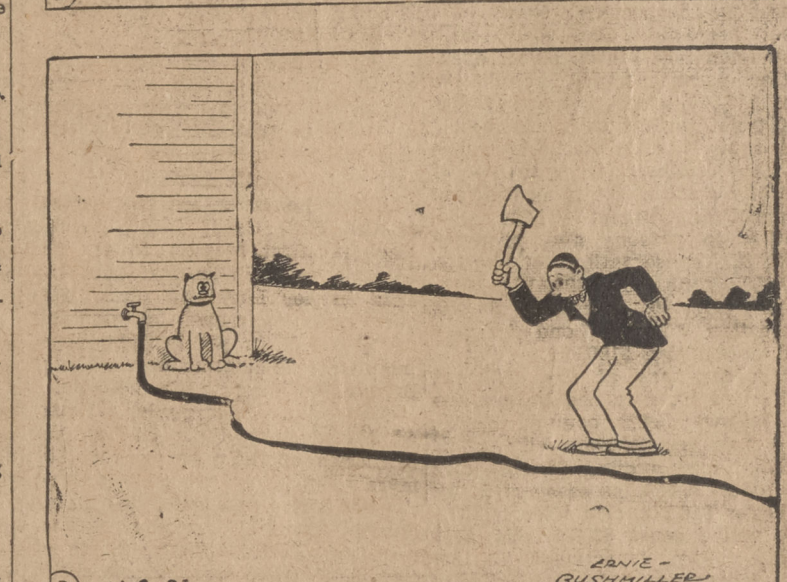

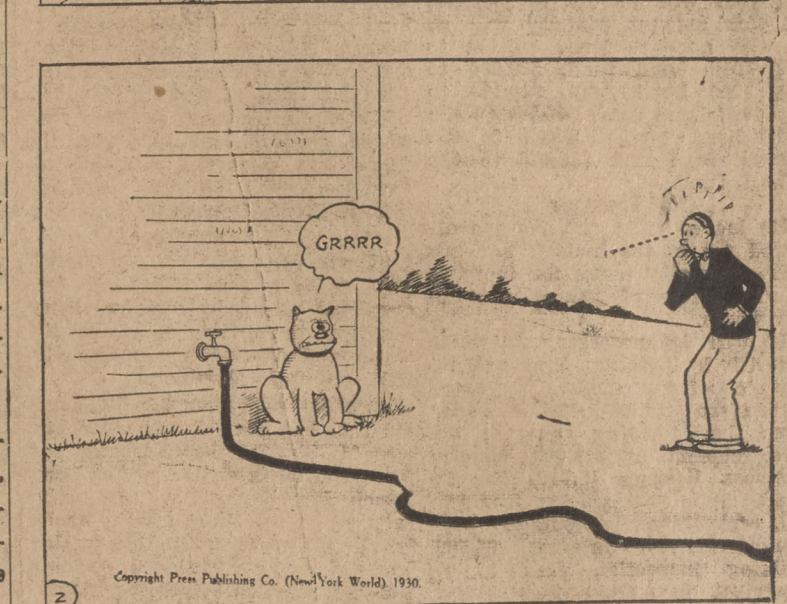

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping."

Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.

"LADY BIRDS" ARRIVE AT MEET

CHICAGO, Aug. 25.—UP.—Women dominated today's program at the national air races, five of them winging into the airport during the afternoon on the last lap of their race from Long Beach, Calif., while a dozen others flitted about the skies in colorful planes and costumes.

Mrs. Gladys O'Donnell was the heroine of the day. She flew down from Milwaukee in her yellow and orange plane ahead of the pack to claim the \$8000 first prize in the women's Pacific derby. Close behind came Miss Mildred Morgan of Beverly Hills, Calif., who was second in classed time, and then Miss Jean La Rene of Kansas City, Mo.

White circles around their eyes where goggles had kept out the desert sun were the most prominent marks the 1500-mile jaunt had left on the women pilots.

Wild Applause
"I am very happy to be here," Mrs. O'Donnell said into the microphone after admirers had lifted her from the cockpit of her rebuilt plane and carried her across the field on their shoulders.

White circles around their eyes where goggles had kept out the desert sun were the most prominent marks the 1500-mile jaunt had left on the women pilots.

The winner of the derby was a striking figure as she was carried across the field in her tan jumpers and shoes, light blue flying shirt and white helmet and goggles.

Amelia Arrives
A few hours before the arrival of the West Coast racer, Amelia Earhart, first woman to fly the Atlantic ocean, skimmed onto the field in her Lockheed plane. She surprised the crowd by stepping out of the cabin, not in flying togs, but in a chic summer dress. Henry Brown had been at the controls.

Other women fliers who enlivened the day by their flights, the brilliance of their flying garb, or merely by their presence around the tea tables under the stands, included Franklin Antonie Strassman of Berlin, Elinor Smith of New York (she wore green suede trousers and a pink silk blouse)

\$7,720, streets \$31,000, street lights \$21,750, street and traffic signs \$3,500, Tenth street improvement \$9,025, public health center \$7,140, social service \$12,000, parks and playgrounds \$28,730, municipal band \$2,800, harbor maintenance \$25,000.

EL CERRITO COUNCIL MEETS

Awarding of the contract for the installation of a gasoline pump and the supplying of gasoline, kerosene and oil was laid over for one week for further investigation by the city council of El Cerrito at its meeting Monday night.

The bid of the Union Oil Co. was \$65 for the installation of the pump and tank, gasoline 16 cents a gallon, kerosene 14 cents a gallon and oils 29, 30 and 50 cents a gallon.

Shell Oil Co. bid \$60.72 for pump and tank not installed, gasoline 16 cents a gallon, kerosene 14 1/2 cents a gallon and oils 29 1/2, 42 1/2, and 49 1/2 cents a gallon.

Request of fire chief O. A. Burnett for permission to attend the Pacific Coast Conference of Fire Chiefs to be held in Oakland September 1, 2, 3, and 4 was granted by the council.

On the recommendation of Councilman Ernest O'Brien that catch basins be installed at Tular and Edwards streets on Barrett avenue to take care of the water from the hill district in Mira Vista which overflows on Barrett avenue, Mayor J. R. Beck appointed O'Brien, street commissioner Peter Larsen and City Engineer Ross L. Calfee to get an estimate of the cost.

On a request of Councilman Hans M. Nissen the council ordered that a badge be purchased for building inspector D. A. Arnese.

The next meeting of the council will be held next Tuesday evening as Monday is a holiday.

Betty Lund, wife of Freddie Lund, the Lorain, O., stunter and a pilot in her own right, and Ethel Wymer of Chicago, whose husband had just given her a new Stinson plane. In the excitement over the women Pacific derbies, only one of whom, Margery Doig of Danbury, Conn., had dropped out enroute, the arrival of the men pilots from Seattle, Wash., was almost overlooked. They flew down from St. Paul with a stop at Milwaukee.

John Blum was declared elapsed time winner of the event, known as the men's Pacific derby, Nick Mamer of Spokane, second, Floyd Keadle of Portland, third and F. Kammer of Wenatchee, Wash., fourth.

Another covey of women pilots will arrive tomorrow from east St. Louis, Ill. They are competing in the women's Dixie derby.

AMERICAN MAN HELD BY REBELS

WASHINGTON, Aug. 25.—A report received by the state department tonight from Lima, Peru, stated that Lieut. Comdr. Harold B. Grow, of the United States Naval Reserve, is being held prisoner by rebels.

Grow is director-general of the Peruvian air corps.

PERU NOW BEING RULED BY MILITARY

LIMA, Peru, Aug. 25.—Peru was governed by a military junta, or committee tonight as revolt in the south spread to Lima, President Augusto B. Leguia has resigned the office he had held for 17 years, and fled aboard a Peruvian warship.

Four deaths resulted in riots in the capital during a night and day of terror as mobs roamed the streets, clashing with the police and soldiery. The death toll was expected to increase as the authorities regained control of the city and a check-up on the fighting could be made.

The fights centered mainly about the residence of President Leguia and the house of Dr. Rada Gamio, former foreign minister in the Leguia cabinet. The mob, including university students attempted to enter these buildings. They were repulsed after considerable shooting by police.

Mob Storms Home
Servants barricaded themselves inside and defended their homes. The mob broke into the foreign minister's residence and sacked it.

Students and workers stormed the offices of the government newspaper, Prensa and and Tiempo. Police drove off the attackers and there was little damage. Windows in the Prensa building were broken.

The mob attacked Leguia's house, sharp-shooting from barricaded windows and the roof. The president had escaped and fled aboard a cruiser, his destination unknown here.

Gen. Manuel Maria Ponce, former inspector-general of the army led the coup d'etat. A message was sent to Lieut. Col. Luis F. Sanchez Serrano, leader of the original rebellion last Friday at Arequipa, inviting him to proceed to Lima and accept the post of minister of war in the new regime.

General Ponce will head the Junta, holding no portfolio in the military cabinet.

Conference Held
The dramatic close of the present 11-year regime of President Leguia came at dawn after a night during which the elderly chief executive fought to save his tottering power. He held an all-night conference with members of the opposition who forced him out and subsequently formed the military Junta.

Word of the revolution spread rapidly through Lima. Crowds gathered early and by 4 a. m. huge throngs were marching through the streets, shouting: "Long live the army of freedom."

Military and political prisoners were ordered freed as one of the first official acts of the Junta. The censorship on outgoing press cables also was lifted.

Popular dissatisfaction with the government and the general belief that President Leguia's administration had been at least partly responsible for the economic crisis in Peru were the main forces behind the revolt.

ACORNS WILL MEET TRIBE

SAN FRANCISCO, Aug. 25.—UP.—The league-leading Hollywood Sheiks returned to their home park today, confident they would increase their advantage over second-place Los Angeles Angels at the expense of the San Francisco Missions.

On the basis of previous performances Hollywood should win the series with the Missions, possibly by a wide margin.

The Angels have harder competition, running up against the third place San Francisco Seals in a seven game series starting here Tuesday.

Oakland will play at Seattle and Sacramento at Portland.

VOTE FOR HINKLEY for Coroner

We solicit the support of every citizen-interested in efficient county government.

1. Dr. Hinkley is qualified by experience and training to hold the office of Coroner and promises an administration of economy.

2. He has conducted his campaign in a clean-cut manner free from prejudice and unfair methods, having confined himself entirely to the facts pertaining to the office of Coroner.

3. He believes that campaigns should be conducted without paid workers and has depended entirely upon his own unceasing efforts and the loyal support and work of his many friends throughout the county.

4. Dr. Hinkley promises that relatives of the deceased will be asked IMMEDIATELY if they have any choice of undertakers and their wishes will be granted at that time. This has NOT been done under his opponent's administration.

5. Dr. Hinkley believes, and we agree with him, that the fair minded voters of Contra Costa County will understand and object to the physicians and surgeons of the county using the race for Coroner as a means of opposing Dr. Hinkley, because he is a chiropractor.

6. Eight years ago the present coroner and his associates strongly supported the contention that an undertaker should not be a coroner, and largely as a result of that contention, elected their man. Four years ago the present Coroner, himself an undertaker, assumed a different attitude and announced himself a candidate for Coroner under a direct opposite slogan.

7. Dr. Hinkley is a war veteran. If elected he will be the only exservice man to occupy an elective office in this county.

8. His unselfish service as a member of the City Council of Richmond, to which office he was elected by the largest majority ever accorded a candidate for the office, and his further elevation to the honorary position of Mayor, is convincing testimony of his energy and ability in public life.
